Dear partners,

We would like to remind you the process of exchange students' admission at Paris Descartes University for the first semester and the entire academic year.

### **Step 2- Application**

After having officially nominated your outgoing students, they will first receive an email of information/confirmation in order to apply for their mobility: they will have to fill out, print and sign the online application form ("formulaire de candidature en ligne").

Online portal:

#### **Housing:**

Please inform your students applying for a housing that only the online application will be taken into account and that accommodation cannot be guaranteed.

#### **Welcome week or “SILC” (Stage Intensif en Langue et Civilisation française):**

Welcome week application consists in an online language test in order to split the participants into level groups.

(Key of the language test: MOBILITYP5)
